DETAILED ACTION

Subsequent the telephone interview of 4/10/07, a new reference was found which reads on some of the claimed subject matter. The examiner regrets any inconvenience this may cause applicant.

Allowable Subject Matter

Claims 25,26,36,37 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claim Rejections - 35 USC § 102

Claims 20-23,25-27,29-34,36,37,40,42 are rejected under 35 U.S.C. 102(b) as being anticipated by Guenther. Note particularly figure 6 which shows oppositely moving streams and rotor 70.

Claim Rejections - 35 USC § 103

Claims 25,26,36,37 are rejected under 35 U.S.C. 103(a) as being unpatentable over Guenther. The type of material and particle size would have been obvious design choices once the basic process and apparatus was known.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Rosenbaum whose telephone number is 571-272-4523. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Derris Banks can be reached on 571-272-4419. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
